Hello,

The US EPA has prepared the following guidance:

Thank you for contacting the Region 8 Environmental Information Services Center. Local and national media inquiries about the Gold King Mine release can now be sent to press@epa.gov. We have copied press@epa.gov on this response to you so they are aware of your request. We also have a phone line in our Joint Information Center staffed by press officers. The phone number is 970-812-3351.

I am the News Director of sunnewsreport.com an online safety and compliance news, a division of Safety Unlimited, Inc involved in online safety training. I'd like to bring a camera crew out to CO on Monday to cover the story and perhaps do some interviews with a PIO from your agency. Please advise at your earliest convenience
